

Happy Birthday Webex

The event idea

Celebrate your Webex-versary by sharing all of the great things you have achieved over the last year. Organize fun birthday party games or a piñata, have ice cream, and celebratory banners. Book out a “party room” and invite people to join you throughout the day, share success stories and ideas about how to use Webex. Most importantly, don’t forget the birthday cake!

The location

Book out a room to host the “birthday party” – make sure it’s big enough to host the party!

People

On-site champions can help with the flow of the day. Enlist the leadership team to share their happy birthday stories.

What you’ll need

- ☐ Party invitations
- ☐ Party foods
- ☐ Party hats, banners and balloons
- ☐ Pass the parcel gifts
