

# Simplify your meeting experience with hands-free help from Webex Assistant for Webex Rooms

Cisco Webex

## Learn more

Say **“OK Webex, share my screen.”**

Note that this only works with an HDMI cable connection to your computer.

To learn more about how Webex Assistant for Webex Rooms can help you. Simply ask **“OK Webex, what can you do?”** or visit [cs.co/GetStarted-WXAssistant](https://cs.co/GetStarted-WXAssistant).

To tell us what you think, just say **“OK Webex, send feedback.”**

## Get things done with just your voice

Use your voice to join meetings, make calls, and more with Webex Assistant for Webex Rooms

# Meet the new voice assistant for work

## What your new assistant can do for you

If you're ever not sure what Webex Assistant for Webex Rooms can do or you forget what to say, simply ask **"OK Webex, what can you do?"**

## Join a meeting with a few simple words

You're running late and your hands are full. No need to stress, just say, **"OK Webex, start the meeting,"** and you're in.

## Calling colleagues has never been easier

Voice calling doesn't cut it when you need to see the bigger picture. Find a meeting Space with a Webex Room Series Device, say **"OK Webex, call Scarlet Skipper,"** and you'll be connected instantly.

# Start with "OK Webex"

Simply say **"OK Webex"** or **"Hey Webex"** then a command. Here are some examples of how I can help you:
