OK Webex...

Calling colleagues has never been easier

Sometimes a phone call isn't enough, and you need a quick video call to help you see the whole picture. Use a Cisco Webex device and Webex Assistant to make the call

Just say, **“OK Webex, call Barbara Adams.”**

When you have finished your call just say **“Hey Webex, end call.”**

Want to do more with Webex Assistant? Say, **“OK Webex, what can you do?”**

Now available on compatible Cisco Webex devices.
