

Cisco Webex

OK Webex...

Joining a meeting is as easy as saying Yes!

Webex Assistant helps you reduce even more friction from your workday by proactively asking if you are ready to join your scheduled meetings. You have scheduled a meeting in a room with a Webex Assistant enabled device, 5 minutes before the meeting, Webex Assistant will ask if you are ready to join your meeting! All you have to do is say yes!

When Webex Assistant says “Hi! Would you like to join this meeting?”

Just say **“Yes!”**

Or say, **“Dismiss”** if you aren’t ready.

Want to do more with Webex Assistant? Say, **“OK Webex, what can you do?”**

Now available on compatible Cisco Webex devices.
