

Hey HR!

Be a top talent magnet

Finding, interviewing, and selecting new people can often be a long and disjointed process. Don't let email and busy calendars slow you down. Go from potential to possibility in half the time so you get the best candidates out there.

We now interview and make offers faster, all in one digital place.

✓ Amazing people want to work in amazing teams. Find the right people fast.

Cisco Webex

Create a space for the hiring team

Have your team download Cisco Webex. Start talking to gain consensus on the skill set you need.

[Download Cisco Webex](#)

[Create a space](#)

Share resumes and explain the interview process

Use the space to keep the hiring team in sync. Share feedback and thoughts about applicants.

[Share files](#)

Meet with the hiring team

Before interviews start, have a meeting with your hiring team in Webex. See the team's schedules with one click of a button. Use video for better communication.

[Schedule a meeting](#)

Create a space with each candidate

Easily stay in touch and keep them informed every step of the way. Provide interview details and get fast feedback. If they impress you, impress them back with quick communication. Use the shared space to host all interviews via video.

[Add external participants](#)

[Call the candidate](#)

Offer fast

Once you've made a decision, don't let them go. Use their space to discuss the offer together and adjust where necessary.

[Send a message](#)

Streamline onboarding

Keep things moving and start the on-boarding process quickly. Begin form-filling now so when they start, they're already part of the team and ready to make an impact.
