

# Hey finance! Quarter end without chaos

We know when quarter end is coming, just by the increase in questions we get. “What’s the policy here?,” “Did the regulations change?” In crunch time, your team needs to connect faster. It’s crucial you have the right information in the right place.

- ✓ Push through the chaos.
- ✓ Attack critical issues with better communication.

## Connect your team

Download the Cisco Webex app. Create spaces so your team can communicate quickly. Eliminate separate email streams. Connect everyone.

[Create spaces](#)

## Keep a record

Share documents in your team spaces. When refreshing your financial records, quickly see last quarter’s data to ensure accuracy.

[Share files](#)

## Send a message

Connect across functions. Easily add members from other teams to your spaces. @Mention key players who can answer your regulatory questions. Include external business partners who can help.

[@Mention a person](#)

## Ask the experts

Make spaces for different topics. People will know where to go to get specific questions answered about compliance, policy, or process.

## Plan your meeting

With one button, see the calendars of everyone in your space. Look at past messages to see what matters are pressing. Your team’s top concerns are close by when you meet. Set time to discuss the tough topics, or call on the fly.

## Keep the ball rolling

Communicate in a continuous stream across timezones. Eliminate formality when you need a quick question answered, and respond easily from mobile 24/7.
