

A man in a dark suit and yellow tie is holding a black tablet computer. He is positioned in the lower right quadrant of the frame, looking at the device. The background is a large, curved, metallic building facade with a grid of panels, reflecting the sky. The overall scene is brightly lit, suggesting an outdoor setting.

A man in a dark pinstriped suit, white shirt, and striped tie is looking at a black tablet. He is positioned in the lower half of the frame. The background is a large, curved, metallic structure with a grid pattern, likely part of a modern building's facade. The lighting is bright, suggesting an outdoor setting.
