Get ready for your meeting

WebEx makes scheduling and preparing a snap! Your invitation links everyone to your Meeting Space, a secure, centralized place for sharing and communicating. Review, comment, chat, and revise—collaboration begins before your meeting even starts!

Schedule your meeting

Set up a WebEx meeting in Microsoft Outlook, just like you do other meetings. [Get the free plug-in](#) and you can also:

- Add a meeting to your calendar with one click.
- Join a meeting from within Microsoft Office applications or IM clients.

Or, just sign in to your WebEx account to schedule your meeting:

- Click the **Schedule** button.
- Fill in the meeting information, and include an agenda if you like.

Tip: Check the **Record this meeting** box when you schedule so you won't have to worry about it later!

Prepare your team

Prepare for your meeting together by sharing files, agendas, and action items in your Meeting Space.

- Upload a file by clicking **Attach files (1)**—your team will be notified by email.
- Upload a new version by clicking the **More Options (2)** button.
- Update your agenda any time—click **Edit (3)** to make changes.

Start the discussion before you meet, using comments and chat. Keep the conversation in one place—it's all captured in your Meeting Space!

Click on **Post a comment (4)** to add to the conversation.

Tip: Update meeting agendas from Microsoft Outlook's meeting detail pane. [Get the free plug-in](#).

Host your meeting

Start the meeting

- Click the **Start (1)** button in your email invitation.
- Or sign in to meetings.webex.com and click the name of your meeting.

Then click the **Start (2)** button, and your meeting will begin!

Work together

1. **Start your audio:** VoIP and phone callers can talk together.
2. **Record:** Record your meeting for sharing later.
3. **Share your desktop:** Share files, applications, or videos. Present anything on your desktop.
4. **Turn on your webcam:** Click the video icon and meet face-to-face.
5. **Pass the ball:** Anyone can share—just drag the ball to the new presenter's name!
6. **Mute/Unmute:** Hosts can mute anyone.

Follow up

The meeting ends but your project doesn't. Assign next steps and follow up in your Meeting Space. Share new files and comments, review recordings and notes. You'll see updates on your WebEx home page. Your secure Meeting Space will be there as long as you need it:

- Upload action items by clicking **Attach files (1)**.
- Download by clicking the file name **(2)**.
- Update versions by clicking the **More Options (3)** button.
- Extend and document the conversation—click **Post a comment (4)**.
- Schedule follow-up meetings.

Tip: Click on **More Options (3)** to lock a file and prevent others from simultaneously updating it.
