

# Hey! What's your learning style?

Do you find learning easier by reading?

**With Webex you can**

- Watch live demonstrations wherever you are and on any device.
- Visualize ideas or take notes on a Whiteboard.
- Watch a recorded lecture that has also been transcribed, if enabled.
- Search for uploaded class information or documents easily.

Do you learn through listening?

**With Webex you can**

- Brainstorm with your study group, record it and refer to it in the future.
- Attend your lectures remotely to minimize distractions.
- Book a meeting with your professor or TA to discuss any issues, problems or progress.
- Call a student on the fly to discuss solutions to a problem.

Are you a hands-on learner?

**With Webex you can**

- Study in groups using an interactive whiteboard, everyone can view and annotate in real-time.
- Watch recorded demonstrations and follow the steps or actions.
- Collaborate on documents in real-time.
- Share screens for instant feedback on your work.

**Are you a mix of all three learning styles?**  
**Whatever your preferred learning style, Webex has you covered**
