

From your office to home, work anywhere **with Webex.**

Stay connected with your team from anywhere, including your home. Move seamlessly between chats and meetings, share files for approval, and get work done in Webex. Use online collaboration to bring your team closer together.

Meet seamlessly

Move from conversations to meetings in the click of a button in Webex. Use chat to make snappy decisions and jump into meetings to work out the details.

A space for everyone

Set up spaces for your team, your projects, and even one-to-ones with your people. Keep the collaboration going with 1:1 and group messaging, even when you're not in a meeting

Keep everyone in the loop

Your presence in Webex will let your teammates know if you are in a call, sharing your screen, or available for chat. Plus, with new custom statuses in Webex Teams - you can let them know if you're busy on a project or away for a break.
