

Deal or no deal

You and your sales team are in a call with potential prospects, you're at the final stage of negotiating the next big deal. But, the client has requested more information before they sign on the dotted line. With Webex's virtual assistant you can easily give your team actions and notes, so every knows what they need to do to get the deal over the line.

Record your meeting

Remember to record your meeting at the start of the call if you want to keep a full meeting transcript. Decisions, actions, and notes are all captured with a simple "Ok Webex..."

Don't miss a thing

If someone is in a noisy office or you're finding the conversation hard to follow just turn on closed captioning to keep track. Never miss a beat.

Everyone on the same page

After recording your meeting simply download the transcription. You can deliver it to prospects, clients, and team members mailboxes at the click of a button.

**"Ok Webex,
note that we updated
the proposal."**
