

# Hey, I'm a Webex Board, see what I can do

## Join a scheduled meeting

If this meeting room was included in the calendar invite, simply press Join when it's time to meet.

Join

You can also join a meeting by clicking on the Webex Meeting icon and dialing the meeting number.

Or, if Webex Assistant has been enabled, your device will ask if you're ready. Just say "Yes!" to join.

## Make a call from a Cisco Webex Board

### STEP 01

On the home screen, tap Call.

### STEP 02

On the call screen, type the video meeting address, the person's name or email address.

### STEP 03

Select the contact you want to call from the drop-down list of suggestions.

### STEP 04

Tap Call.

### STEP 05

When you are ready to finish your call, tap End Call.

# Hey, I can do this too

## Create an infinite whiteboard

### STEP 01

Tap Whiteboard on the home screen.

### STEP 02

Use the supplied stylus or simply use your fingers to draw, pinch and zoom on the whiteboard.

### STEP 03

To share the whiteboard in your meeting, tap Share Live. To leave your whiteboard, tap the Home button.

## Share your screen with Cisco Webex Meetings

### STEP 01

Your device will automatically pair to your Webex Board. Select pair to device if your device is not showing.

### STEP 02

Select the board and Share Screen from the bottom of Webex Meetings.

### STEP 03

Select the application you want to share or the whole screen.

## Clear a Webex Board before leaving a room

Clear your Webex Board so that it is ready for the next person to use. Just press the home button and hold for 3 seconds.
