

Cisco Webex

Co-creation at your fingertips

Put “pen to paper” and share your great ideas. With the Cisco Webex Desk Pro’s dedicated stylus and whiteboarding capabilities, you can do just that!

And that beautiful whiteboard masterpiece you created can be shared with anyone via email or Webex, no more taking pictures.

Easily join your meetings

Start your meetings on time. Use the ‘Join Webex’ button or pair the device to your Webex app for a seamless join experience.
