

Webex,
making more possible.

Dear Colleague,

Today is the day. Webex will help us connect with each other faster, help us grow ideas together and reduce email traffic. The exciting news, is it's ready for you to use! Get started by following this guide <LINK> with steps on how to log into Webex.

We've created self-service content for Webex <LINK> for you, with guides on how to use Webex Teams on a desktop, Apple Mac and the mobile application.

If you have questions or need help with Webex, contact your Webex support team at <email_address>.

We hope you enjoy using Webex.

Regards,
